YOUR BEST GOD GLORIFYING
OFFERING

Dear Reloaders, the financial and economic strength of our church is never totally measured by the cash reserves, but by the willingness of our members to support the Kingdom's VISIONS. Our church has demonstrated that we have both the willingness & the resolve to pool our assets to accomplish the plan of God for our generation when we raised \$60,000 in nine days to purchase our now existing facility, \$33,000 to complete the multi-purpose facility, \$10,000 to complete the sanctuary facelift and more than \$12,000 in reload seeds that fruit may abound to your account. We have given in excess of \$115,000 above our tithes and regular offerings to support the kingdom! God has demonstrated to us that when we make the effort, He remains committed to kingdom givers at all times and for those who will make His desire important to them He will make their desires important to Him to stretch our capacity. As you know, you will be challenged during this campaign to make a giving commitment ABOVE your tithes. On Sunday, September 11th our “I LOVE MY CHURCH SUNDAY” goal is a \$20,000 God Glorifying offering.

The opportunity to give and to sow into good ground should never be taken lightly. When it comes to giving our sacrificial offerings, we will approach it prayerfully because we understand what sacrificial giving can do to cause spiritual breakthroughs in our lives. We are blessed and able to give significant offerings because we started with obedience to give sacrificially into the work of God 19 years ago. I credit so much in my life and ministry to God honoring our obedience

and faithfulness in giving over the years. We have learned that consistent obedience is the key to **God choosing to trust you with more**, in order that you may **handle more and more kingdom assets**.

“Not Equal Gifts, But Equal Sacrifice”

The value we place on **I LOVE MY CHURCH SUNDAY** should exceed our determination in giving. If we are untrustworthy with earthly wealth, we are unfit to handle the riches in the Kingdom of God. As a 21st Century Reloader, **you can't afford to let your integrity slip on September 11th**. If you do, integrity will fail you in your crucial decisions.

Think about what God, through Family Life Church, and relevant teaching of the Word has done in your life and the lives of those you know. **Secondly**; determine to willingly live up to your responsibility as a member of Family Life Church to provide for future generations to get the Gospel. **Thirdly**; does the amount express my appreciation to God for what He's done? **Fourthly**; does the pledge and gift really respond to the Kingdom's needs, or is this a token gift to just say you participated? **Fifthly**; is this gift a product of your faith? **Do you love your church?**

This is my promise; when the goal is accomplished, every gift will be taken into consideration to **SUPPORT THE SHORT FALL MONTHS AND OTHER MINISTRY NEEDS!** We stretch our faith to get things we want. Now, as a RELOADER, are you willing to use your faith to provide for the Kingdom of God? Your commitment of faith becomes the gateway to the fulfillment of our VISION. I trust that you will join Kimberly and I as we commit to make investments in this generation that glorify God.

With Expectation & Participation! Tommy W. Nard, Sr., Founder & Senior Pastor
