

Women Who Win Observations

1. **You must attend all services:** No one is permitted to stay in the room during the conference unless for medical reasons that must be confirmed by Bishop.
2. **You must not leave the hotel & church:** No one is allowed to leave the hotel or church without confirming leaving with Bishop. This is not a vacation this is a conference. If you are given a pass to leave between worship services you must provide transportation.
3. **You must be on time:** You will be given a departure time for the conference and you should be seated on the shuttle five (5) minutes before departure.
4. **You must not be confrontational:** If problems arise between you and another woman who win please resolve the issue as soon as possible. Other people should not be involved in the discrepancy. If you need a mediator you can request the presence of Pastor K.
5. **You must respect others:** Absolutely no one is allowed to disrespect another woman who win. Disrespect will not be tolerated! Remember, you have a room guest and a Charter Bus guest.
6. **You must respect the hotel:** No one is allowed to take hotel property. (pillows, pillow cases, sheets, towels, etc.)
7. **You must honor the rules & regulations:** If you are in default you will not be able to attend the conference with Family Life Church Group the following year.
8. **Dress Code:** The dress is comfortable casual. Please wear clothing that is "lady-like" and nothing that is too revealing or inappropriate. If you do, you may be asked to change your attire.

Remember: You are representatives of WODFLC and your Bishop and Co-Pastor at all times. They are proud AIM Pastors and we, likewise, are proud of them. Therefore, please be mindful you are representing leadership.
